HONORING THE 100TH ANNIVERSARY OF THE VILLAGE OF ORCHARD PARK, NEW YORK

HON. CHRIS JACOBS

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. JACOBS of New York. Madam Speaker, I rise today to recognize the Village of Orchard Park, New York, on its centennial anniversary.

The Village of Orchard Park is a beautiful, tranquil village that lies in western New York, and I am honored to call it my home. The Village of Orchard Park was founded in 1921.

The area of present-day Orchard Park was historically referred to as an "uncultivated part of nature's garden" and was said to resemble a "park of orchards." The early pioneers of Orchard Park worked to transform a forest into the beautiful community it is today. They built residences, churches, and public places which remain important parts of the culture and values of today's Orchard Park.

Many great businesses and businesspeople have hailed from the Village of Orchard Park, including Harry Yates. Mr. Yates moved from Buffalo to Orchard Park and purchased multiple farms, including roughly 3,500 acres of land. Mr. Yates created and donated Green Lake to the Orchard Park community, which is still enjoyed today by residents and visitors. Mr. Yates also donated the land for the construction of two churches, Nativity of Our Lord Roman Catholic and St. John's Lutheran.

The Village of Orchard Park centennial celebrates the best of America. These communities are the incubators of local politics, commerce, education, recreation, entertainment, and faith for our village neighborhoods.

I am proud to congratulate the citizens of the Village of Orchard Park on their 100th anniversary. I believe that it is important to recognize their unique contribution to the development of western New York and wish them happiness and prosperity during the next 100 years.

CELEBRATING 100 YEARS OF FRIENDLY HOUSE AND 85 YEARS OF TAMALES DINNERS

HON. RUBEN GALLEG0

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, November 23, 2021

Mr. GALLEG0. Madam Speaker, I rise today in celebration of Friendly House, which turned 100 years old in 2020.

Friendly House first started in 1920 as part of a local initiative to help immigrants in Arizona obtain citizenship and adjust to the United States. Today, Friendly House's services have expanded to include youth and adult education, family and emergency services, and workforce development, while still maintaining their original commitment to providing immigration and citizenship services. For the past 100 years, Friendly House has advanced America's identity as a nation of opportunity by helping individuals and families fully participate in American life.

After being delayed by a year due to COVID-19, Friendly House will celebrate its 100th anniversary at its 85th signature Tamale Dinner on December 3. For many, tamales represent coming together with loved ones, especially around the holidays. Friendly House's annual Tamale Dinner has been bringing together the Phoenix community for over eight decades, making it the longest standing fundraiser in the State.

I would like to thank Friendly House for 100 years of service to the Phoenix community and wish them the best as they continue to grow their impact over the next 100 years.
